

KOLSBY, GORDON, ROBIN, SHORE & BEZAR, P.C. PHILADELPHIA, PA / HADDONFIELD, NJ

HELPING VICTIMS BECOME SURVIVORS

There's a reason the Kolsby, Gordon, Robin, Shore & Bezar law firm has existed for over five decades: its experienced trial lawyers are dedicated to securing significant results for people who have suffered catastrophic injuries and loss due to another's irresponsible conduct.

Clients benefit from the considerable experience and courtroom abilities that the firm's lawyers have developed and honed over time. Two of the firm's attorneys are board-certified physicians, two have earned advanced degrees in engineering, and one is a pediatric nurse. And several of our attorneys have advanced training in trial advocacy. It is no surprise that the firm consistently secures seven- and eight-figure verdicts and settlements.

The firm's expertise in the area of personal injury law extends to cases involving aviation and vehicular accidents, trucking, birth injuries, medical malpractice, legal malpractice, pharmaceuticals, premises and products liability and civil rights cases.

Kolsby Gordon lawyers are leaders in the courtroom as well as the community. Our attorneys have served on the board of directors of the Philadelphia Trial Lawyers Association and the Pennsylvania Association for Justice. And today, they serve on the board of directors of numerous community nonprofit organizations. They teach at area laws schools, contribute regularly to legal publications and are members of the International Academy of Trial Lawyers, which has just 500 fellows in the United States.
